Location

Situated just 2 ½ hours east of Jodhpur, 5 hours west of Jaipur and 3 hours north of Narlai, this idyllic haven comprises beautiful tents pitched on a dam, overlooking a lake teeming with birds. Formerly the hunting preserve of the Nimaj estate, the circumference of the lake is 10kms. The warm and welcoming Nimaj family are all personally involved in looking after guests and the tents are amongst the finest to be found in India. Due to its location, surrounded by farmland, the lake, hillocks and small villages, a stay here allows you to experience rural Rajasthan in a way that few other properties allow you to.

Each is pitched to ensure privacy and all face directly onto the lake. 2 tents are marginally smaller and sit on the top of the hillock. There's a short climb up but the views and private space are fabulous. Not suitable for people with mobility problems. Accommodation comprises 11 stunning tents. There are 6 twin bed tents and 5 double bed tents.

All the tents are the same. They have fans and are non-air-conditioned. Heaters provided in colder months. They are spacious and prettily decorated and have comfortable, proper beds. They have electric light and excellent, modern, permanent, attached bathrooms (with showers and bathrobes).

Each tent has its own private sit out overlooking the lake. Hair dryers can be provided on request. Hot water bottles are provided on particularly cold nights. Hot water is plentiful and provided by geyser. Two bottles of complimentary mineral water per person per day are provided. There is easy access for wheelchairs throughout most of the camp, as it is all on one, flat level.

Dining

There is one dining tent which offers delicious Indian cuisine using old family recipes made from vegetables which are mostly grown in the farm around the camp. The camp offers a buffet and table d'hote dining. The dining tent is on the dam and is open-sided so you can gaze across the lake whilst dining. Drinks are usually taken al fresco, around a camp fire on an open area by the dining tent. The food served here is some of the finest Rajasthani home cooking in the state and the charming family ensure you want for nothing.

All meals, soft drinks, tea and coffee, and local excursions are included in the room rate. Private dining can be arranged.

When to go / Climate

Rajasthan has some major climactic fluctuations. During December, January and February, it can be cold in the mornings and evenings and warm clothes are necessary at these times. During the daytime it is lovely and warm and sunny. March and April are getting fairly hot and it begins to get humid in May and June and temperatures can rise to an intense and uncomfortable heat. The monsoon breaks in July and lasts until September. October and November are still warm but not cold or wet. The best time to visit is from October to March. It is generally a dry heat with very little humidity, except during the months of April, May, September and early October.

Opening and closing	The camp is open from 1 October to 31 March each year.
Pests	Due to the dry heat of Rajasthan, mosquitoes are not a major problem but they do tend to come out in the evenings and early mornings, throughout the year and particularly in the warmer months. The hotel provides mosquito coils and repellents in the tents to combat this and when dining outside. It is not advisable to leave door open when your lights are on as bugs will tend to fly in.
