### **Location**

The fort sits in the middle of a lake and is blissfully peaceful and beautiful. It is reached by boat or by a small bridge (or by road right up to it when the lake is not full). It is fully staffed and everything is of the highest quality – from the beds, linen, toiletries and crockery to the furniture and cuisine. Each room has a private balcony and overlooks the lake. The central courtyard has a small pond in the middle during summer and this becomes a cosy fire s sitting area under cover and a superb, open air terrace overlooking the lake.
