TOPOGRAPHY & LOCATION

JAWAI derives its name from the seasonal Jawai river which flows through this remarkable landscape, in the heart of Godwar, Rajasthan, and empties itself into the Jawai Bandh, one of the largest reservoirs in the state. A dramatic backdrop of granite hills and kopjes, dated over 850 million years old, situated between rich agrarian fields, sand rivers, scrubland and patches of light forest surround our pioneering, luxury tented camp which is set on its own private wilderness. The camp is located equidistant between the medieval Rajput kingdoms of Jodhpur and Udaipur, which makes this unique and otherwise remote wilderness very accessible to travellers in the know.

EXPERIENCES

Two wilderness drives a day in a shared 4x4, convey guests across this land, in search of the elusive big cats but all the while engaging with the story and narrative of this extraordinary region. The unique feature of the area and one that defines the JAWAI Experience is the magical intermingling of wildlife and rural human activity that has gone on in the region for centuries.

While leopards are the predominant iconic species in the area, some of the other species you may chance upon include antelope, hyena, crocodile and a number of smaller mammals. The area is also home to over 250 species of birds, from the migratory greater flamingos and sarus cranes to resident raptors and bee-eaters, it is a “Twitcher’s” paradise.

Encounters with wildlife are punctuated by engagements with local communities and access to a culture strongly rooted in its own certainties. Village walks, cycling excursions, temple trails and strolls with the Rabaris’ are highly popular activities during a stay at JAWAI.

The SUJÁN Spa offers a range of treatments and therapies to help relax you during your stay while other activities include meditation, yoga and walks in the surrounding wilderness.

There are a range of experiences and activities available at camp for more details please contact us at experiences@sujanluxury.com or visit us at www.sujanluxury.com/jawai

JAWAI CONSISTS OF:

- Eight Luxury Tents, one Family Tented Suite and one Royal Tented Suite.
- A Lounge Tent and Dining Tent which are located towards the centre of the camp.
- A swimming pool overlooking the landscape.
- One Spa Tent as well as therapies available at your tent.

Located in a remote part of the region JAWAI's style is inspired by the dark granite hills that surround camp, fused with the vibrant, dashing colours of the indigenous Rabari herdsmen who share this unique landscape with the leopard. Created in a timeless flourish with canvas, stainless steel and leather accoutrements, each tent at JAWAI is abutted by a private veranda that looks upon unobstructed, spectacular views of the dramatic wilderness around.

THE FAMILY TENTED SUITE

Ideal for families or groups of four travelling together, this suite is a set of two tents which share a common plinth and verandah. Set a little away from the other tents, the Suite offers stunning views of the surrounding landscape and is bounded by private forest behind.

THE ROYAL TENTED SUITE

The finest address to stay at in the region, JAWAI's latest addition, the Royal Tented Suite offers unbridled luxury, fused with unrivalled privacy, with spectacular views of the dramatic Jawai landscape. Set a little away from the other tents in a secluded area of its own, the suite has a private heated swimming pool, private jeep for wilderness drives, a private butler and oodles of space to spoil yourself in between game drives or excursions.

FOOD & BEVERAGE

SUJÁN has a tradition of growing, sourcing and offering fresh-farmed products ethically sourced from local producers. While we grow much of our own produce in-house, our farmers take great pride in partnering with us to supply only the best produce of the region. The cuisine combines a selection of local delicacies with some international classics and our bar boasts an enviable collection. While the central area of camp becomes the hub for meals, JAWAI has several spots that serve as perfect locations for private dining. The JAWAI campfire – lit throughout the winter – is the perfect space to unwind after a day in the bush.

Particular dietary preferences are arranged for, if the camp is notified of these in advance.
